# STIRLING-RAWDON PUBLIC LIBRARY'S MONTHLY NEWSLETTER

## Library Update

### ELEVATOR DISRUPTION:

Over the next few weeks the library's elevator will be out of service while upgrades are being performed. Please excuse the mess in the lobby and the noise that comes with large jobs such as this one.

If you are unable to use the stairs, staff will be more than happy to offer curbside service or assist you from downstairs. You can let us know that you require assistance by ringing our doorbell outside and then meeting us in the lobby.

### STRATEGIC PLAN:

In the spring of 2021 we encouraged our community to take part in a fairly extensive survey. We were thrilled to receive such incredible feedback and have used the results of the survey to guide us in developing our current Strategic Plan. Please take a moment to visit our website or Facebook page and review the goals we hope to achieve over the next four years!

### CAUTION:

Just a reminder to be extra cautious on the sidewalks when approaching the library. Winter weather has certainly touched down and while we do our best to keep the surfaces outside as safe as possible, icy spots can develop quickly. We will pay close attention to remove built up snow and treat ice covered surfaces. Please, be careful out there!

# ELEVATOR DISRUPTION

The elevator will be out of service  
beginning January 18th for about a  
month as upgrades are performed.

If you are unable to use the stairs,  
we will be happy to serve you from  
the lobby or provide curbside  
service.
