STIRLING-RAWDON PUBLIC LIBRARY'S MONTHLY NEWSLETTER

Library Update

We have been thrilled with the increase in activity at the library over the last month! It's been wonderful to see patrons who have not been in over the last couple of years and we look forward to offering more in person programs as everything returns to near normal.

The Good Food Box and Good Baby Box programs are still running and orders can be placed through the library. The deadline for May's order is Wednesday March 4th and pick up is on Tuesday May 10th between 1-3 in the Stirling Arena parking lot.

If you haven't had a chance to explore the Stirling Musical Instrument Lending Library (Stirling MILL), please drop by and discover all that it has to offer!

The Stirling MILL is located upstairs in the Library and is open every week on Tuesdays (3 - 6:30) and Saturdays (10 - 2:30).

Just getting started with an instrument... An educator looking for resources... A musician looking for connections or playing something new...
