Library Update

As the days become longer and warmer, and most of us are eager to spend time outside, we are sure to see more patrons making their way to the library on foot or bicycle. We just want to remind our patrons that we have a new bike rack on the corner yard against the cement steps for your convenience. For everyone's safety and accessibility, please refrain from leaving bicycles, scooters etc near the front entrance.

Please feel free to use the new picnic table on the corner lot to sit, snack, read, work, play or access the library's Wifi. We don't have much outdoor space at the library but the little we do have we want to make as much use of as possible!

As much as we absolutely love our furry friends, the library's policy does indicate that only Service Animals are allowed within the library. Since we don't want animals left in hot vehicles, please call us when you arrive to the library and we will be more than happy to bring your items down to the front entrance for you.

Happy Spring!
