Library Update

Beat the heat by visiting the library! When it's hot out drop in to the library and enjoy air conditioned comfort. There is plenty to keep you busy while you're here. We have comfy chairs in the adult department, tables for sitting at with your personal devices and free WIFI! Library computers are also available for use at any time. Peruse books and magazines or try out a puzzle available for in-library use as well as for borrowing.

Wander through the Art Gallery on the main level and check out the art in the display case. New art goes up every 2 months featuring local artists. Check out the new show that goes up July 29th! It will be on display throughout August and September.

In the children's department there are lots of toys to play with as well as colouring sheets and you can even put on a puppet show with our puppets in the puppet theatre. Head to the back of the children's department to enjoy our new Makerspace where there are craft supplies out all the time for you to create with as well as Lego, Magna-tiles and Keva Planks to build with. And of course there are lots of books to read!

So cool down and stay a while, we welcome everyone!

HOURS:

- Sunday, Monday **CLOSED**
- Tuesday - Thursday 10-7
- Friday, Saturday 10-3
